**Department of Philosophy**  
**General Course**  
**UG 3-Tier Examination Pattern (w.e.f. 2014-2015)**

There are total 3 -Years B.A, Philosophy General Programme under 3 – Tier System which consists of four papers. The outcome of the Course are as follows:

Paper Name	Paper title	Course outcome
Paper 1	Indian Philosophy	The nature and characteristics of Indian Philosophy comes within the syllabus of the Course. The basic schools of ancient Indian Philosophy are introduced to give the students an overall view of what Indian Philosophy actually deals with.
Paper II	Western Metaphysics and epistemology and western logic	Group A The course introduces to the students the basic tenets of Western Philosophy like Rationalism, Empiricism, Realism and Idealism. The students here are exposed to the idea of causality which gives them a critical aptitude.  Group B This course gives a vivid knowledge of the traditional and symbolic logic. Knowledge of immediate inference, Venn Diagram, Symbolic Logic and Inductive logic often comes in the questions of competitive examination.
Paper III	Psychology and Social and Political Philosophy	Group A This course helps the students to have a comprehensive idea of our mind and the allied processes. This is very important for the introspection of the students of Philosophy. Sensation, perception, attention, emotion, personality, intelligence comes with the scope of the course, making the students much more aware of the various mental phenomena.  Group B This course vividly elucidates the concepts of social Philosophy including society, groups, social codes, class. Some thoughts on political topics like Democracy, Secularism, Justice, Liberty makes the students aware of the present state and then rights.
Paper IV	Theoretical and Applied Ethics	Group A This course deals with the ethical topics like morality, hedonism, Goodwill, Niskama karma and the like. This part gives a matured outlook needed in a good character formation of the students.
