Department of Zoology

An educational visit to the Zoology Laboratory of Vidyasagar University, West Bengal

Brief Description: Hands on experience provides a vivid picture of topics demonstrated in the classroom. To expose students to the arena of research in molecular biology, Department of Zoology of this College organized a day visit to the Molecular Biology Unit of Zoology Laboratory of Vidyasagar University, West Bengal on 5th December, 2019. Practical demonstration of isolation, visualization, quantification of DNA was demonstrated to the students in the University in a very detailed manner. Students interacted with the researchers of the laboratory to learn about the principle & applications of different techniques of molecular biology. Following this, they witness the methodologies of how these procedures are carried out for research purposes.

It was an enriching experience for the students as they gathered practical knowledge on when, why & how to carry out such processes of molecular biology in future.

The entire day was full of learning & experiments.

Respected Sir,

As per the curriculum of 5th Semester B.Sc. Honours Course in Zoology under CBCS system, students are expected to acquire practical knowledge of techniques of molecular biology. In connection with this, we would like to request your good office to allow us to conduct a field visit to Zoology Laboratory of Vidyasagar University, Paschim Medinipur, West Bengal for practical demonstration. The date of the tour will be notified once approved by the University.

The total number of students would be approximately 20 accompanied by one faculty member.

Kindly grant us the permission to conduct this field visit.

Thanking you and looking forward to your most favorable response.

Sincerely,

[Arpita Chakraborty]
