Department of Zoology

An educational field visit to the Midnapore Medical College, Paschim Medinipur, West Bengal

Brief Description: Field Visits help to reinforce experiential learning amongst students. With this objective in mind this Department organized an educational field visit to Microbiology Department of Midnapore Medical College West Bengal. During this visit the students got to witness the practical demonstration of ELISA technique.

Students had an audiovisual lecture session where the principle & methodology of this immunological technique was explained to them in a lucid manner. Following this they had practical sessions where the entire procedure along with its types were shown to the students.

It was a well-elaborative practical session.

Students found the entire exercise very relevant & fruitful as it enhanced their understanding about this topic & its applications in public health.

Sub: Requesting permission for visiting Midnapore Medical College for practical demonstration of ELISA technique to 4th Semester Zoology Honours, Undergraduate Students (under CBCS System).

Respected Sir,

This is a request letter to seek your kind permission for a visit to Medical College for practical demonstration of ELISA Technique.

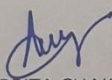

As per the undergraduate syllabus of 4th Semester, B.Sc. (Hons.) in Zoology under CBCS system, students are expected to have practical knowledge of ELISA Technique of Paper-C10P(Immunology).

Consequently, the students of 4th Semester batch of Zoology Department of our college are visiting the Midnapore Medical College, Paschim Medinipur on 9th of August, 2023 to witness the practical demonstration of the topic stated earlier and further to acquire valuable insights of practical applications of this immunological technique from this well-equipped college. Likewise, this will supplement the various theories acquired in the classroom for a simultaneous understanding as well as application of the topic. The total number of students would be approximately 15(fifteen) accompanied by 1(one) faculty member.

Kindly grant us the permission to conduct this trip as scheduled on 09.08.2023.

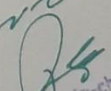

Thanking you and looking forward to your most favorable response.

Sincerely,

Head, Dept. of Zoology
